Our first Fund Raising Project, "A Penny Parade", saw \$82.00 added to the treasury. This sum was used for our "Christmas Family", whom we provided with food and clothing.

On January 17th Mrs. Baker, Director of Red Cross Youth in Nova Scotia, gave an assembly at the school. The topic was Rendez-vous 67 - the Red Cross Centennial Project.

A Home Nursing Course was begun with an enrolment of 20 students. These Volunteers provided their services at Blood Donor Clinics and minor hospitable duties.

The Spring program included car washes, a Milk Bottle Drive and Voluntary work with the Senior Red Cross. A canned food drive was also successfully carried out.

\$100.00 was donated to the "Needy Children's Fund" for the purchase of a wheelchair and \$30.00 was donated to "Rendez-vous 67."

We would like to express our gratitude to Mrs. Allen, our teacher advisor, and to the student body who made our program a success.

THE DRAMA CLUB

The drama group this year was led by Mr. Avery, who studied the expressionistic drama and endeavoured to teach us. We did a lot of characteristic dancing and were taught to express ourselves with the use of our bodies. Mrs. Forsyth gave us one lesson and it proved to be very interesting. The group was made up entirely of girls, we just couldn't seem to get the boys interested.

Later we concentrated more on speech but we reverted to dancing at intervals. All in all we had much fun!

"Y-TEENS"

This year's officers were
Pres: Donna Currie
Vice-Pres: Carolyn Taylor
Treasurer: Joan Hull
Secretary: Rosanne Fraser
Program Director: Linda Taylor

The regular meetings of the club were held on Monday evenings from 5-8, at the YWCA. These consisted of gym class, swimming, dancing, and hour long discussions.

A fudge sale was held at the school and although we did not have enough to meet the demand of our starving classmates, the sale was a success.

In December the members helped to decorate the YWCA for "Christmas Market". We also made candles, waste paper baskets, and jewellery, to be sold at this annual money raising project.

The club's Christmas project was a party for a group of underprivileged children. The club bought gifts, filled stockings, served cookies, hot chocolate, and played games with the children.

The members had a slumber party at the Y during the first week in February. We attended a movie, swam, enjoyed a pizza snack and had very little sleep that night, everyone had a ball.

Some members went to Wentworth Valley for a weekend along with another Y group.

For a fun packed night, the members invited guests to our Spry Teen party. We danced, swam, and ate. It was a lot of fun and well-deserved by each and every member.

As president of the Spry-Teen this year, I would like to thank our club adviser and our counsellor at the YWCA. I would also like to thank the club members who made the club a success.

FOLK SINGING

"California Dreamin'", "Parlez-moi, d'amour", "Ugh, Ugh oh no Don't Let the Rain come Down". Strawberries, cherries and an angels kissin' spring. Oh the sweet sounds that echo through the halls of B.C.S. as the folk group diligently rehearses during the noon hour. The group, under the leadership of Clark Brown who also does accompaniment on the guitar; has appeared on Hi-society and in the annual variety show. The recognized soloists are Clary Croft, Jeanette Gallant, and Charlene Romo. The group does a marvellous job of other artists songs and also a fantastic job on original material. Harmony a hard element to perfect in music, seemed a menial task for the group who have a good harmonic quality.
