PRESIDENT

As President of the Students' Council, it is my privilege and duty to write a brief summary of our school activities for this year.

The election of class representatives took place in September and was shortly followed by the election of the executive.

As in the previous year, the sale of school chocolate bars was taken up as our fund raising project. Under the able direction of Doug Engram and with much student support, a profit of over \$800 was realized. This was 60% higher than last year's project total.

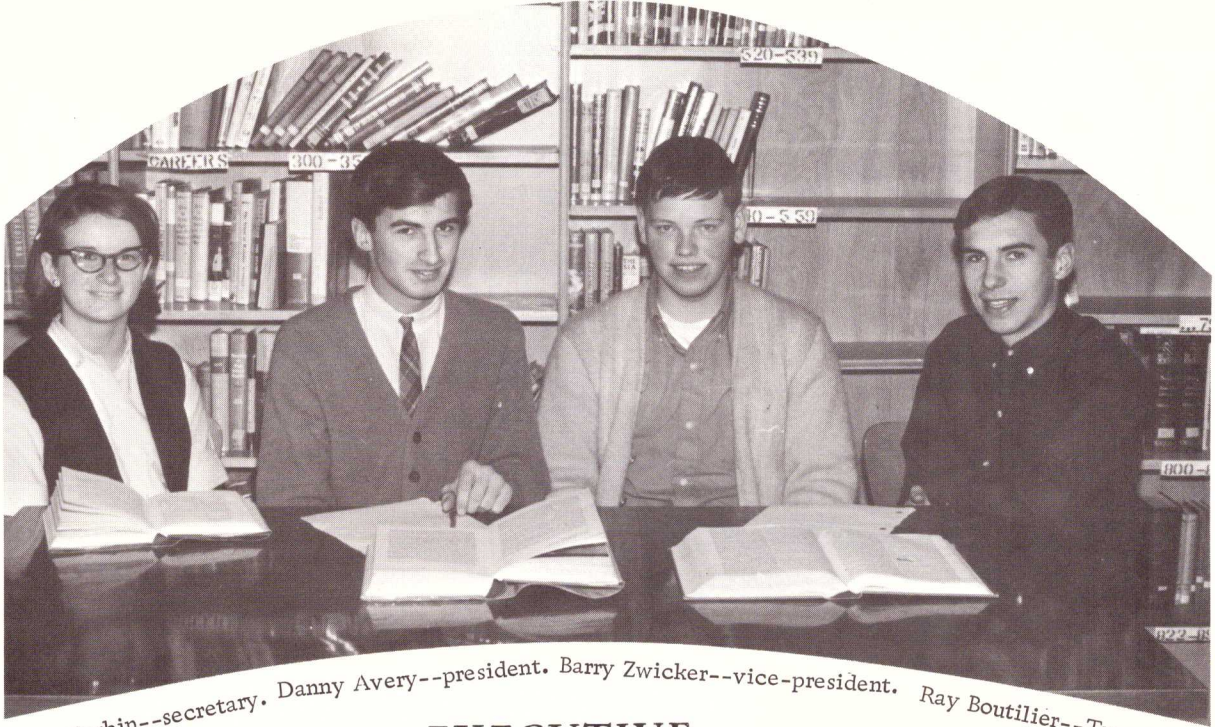

Again the Students' Council sponsored the interschool athletic teams which included soccer, hockey, basketball, volleyball, badminton, track and field and curling. To round out the non-athletic side of extracurricular activities, there was Red Cross, United Nations, the Yearbook, Y-Teens and folk-singing.

I would like to take this opportunity to thank all who have helped to carry out the Students' Council work during the year. First of all, I thank my Vice-President, Barry Zwicker; Secretary, Pat Corbin; Treasurer, Ray Boutilier, my standing committees and class representatives, as well as Mr. Simister, our staff advisor, who freely and unselfishly offered both time and practical advice.

Also, I wish to thank Mr. Boyd, the Faculty, Mr. Wall and all the students who supported our activities throughout the year. I hope you have enjoyed them.

Finally I would like to say that I considered it an honor to have served as Students' Council President. I have gained valuable experience and made many friends which I shall never forget.

Danny Avery

Patricia Corbin--secretary. Danny Avery--president. Barry Zwicker--vice-president. Ray Boutilier--Treasurer.

EXECUTIVE

STUDENT COUNCIL

- Floor:
Lynda Kendall, Donna Smith, Deanna Clowater, Deborah LeGay.
