BASKETBALL

The girls' basketball team under the direction of Mrs. Forteath and Wally Cleveland did quite well this year. They trounced Halifax West 23-14 in the first game and beat them again in the Winter Carnival game. The team played its best game against St. Pat's but in spite of the effort failed to win. As for the boys, this is the first year in which the "B" team has been entered in the metro league along with the "A" team. Both teams played well and hard. The boys' "A" team was defeated by Q.E.H. 98-43. Morris Trager and Wally Cleveland scored most of the B.C. points.

VOLLEYBALL

The volleyball teams were very successful this year with a large number of wins. Both girls' and boys' teams did equally well and placed in the tournament standings. The girls' team made the play-offs but they were defeated by Prince Andrew 16-14, 16-14, 16-14.

BADMINTON

A first for B.C.S. under the direction of Mr. F. Miller and Mr. Barnhill. Although the teams were for intramural purposes, four members went to Moncton and presented their playing ability very well.

HOCKEY

Although B.C.S. came up with only three wins, sportsmanship and determination were the "key-notes" of our team. During regular schedule play we defeated Halifax West twice with scores 6-5, 6-4 and Q.E.H. 5-4 in the first game of the semi-finals. Our most spectacular player, Barry Icton, was selected as a left-winger for the first metro "A" All-Star Team.

GYMNASTICS

Another first for B.C.S. this year is the gymnastics club. The club is under the direction of Mr. Gaudet, who is himself an accomplished gymnast. A show held in March turned out very well and was very much enjoyed.

CURLING

The Curling Club got off to a good start this year with six teams and Nancy Bethune as President. At Christmas two teams entered a Mixed Bonspiel with the "A" team coming second. Exhibition games were held through out the year with Vocational High School. This was our first year for Headmasters and a most successful one. The boys' team lost out in the Zone Play-Offs, but the girls won the title of Zone Champions. They then went on to the Nova Scotia School Girl Curling Championship held at Lunenburg in February. Each girl stayed in a residence home, and a banquet and a dance was held for everyone. During the three day stay new friends were made with the other teams and a good time was enjoyed by all. Hard work was displayed on the ice with our team winning four out of six games, placing second. Mrs. Forteath accompanied them as faculty representative.
