

President's Message

As president of the B. C. Silver Students' Council for the year 1967/68 it is my pleasure to give a brief summary of the year's activities.

The seventh year of the council got started late in September with the election of class representatives followed shortly by the election of the executive. Our main fund raising project was headed jointly by Bill Quinn and Ray Boutlier with a profit of approximately \$1,000.

As in previous years the council sponsored the interschool athletic teams such as soccer, hockey, basketball and volleyball, badminton, track and field and curling. The Red Cross was very active this year with their new swimming plan. This year for the first time a student driver training course was started; headed by Mr. Thompson and Mr. Antonowich with approximately forty students. The winter carnival this year was a tremendous success with over 100% more student participation than previous years.

I would like to take this opportunity to thank those people who worked so hard and willingly to make this year the success it was. First of all I would like to thank my executive vice president, Clary Croft; treasurer, Madonna Smith; and secretary; Dawn Umalh, and a special thanks to Mr. Avery our staff advisor who gave his time freely and unselfishly.

Also I wish to thank Mr. Boyd, the faculty, Mr. Wall, and all the students who contributed to make this year the success it was for the students council and myself. This year has been an unmeasurable experience which I shall never forget.

Barry Zwicker
President

Dawn Umlah
Secretary

Clary Croft
Vice-President

Barry Zwicker
President

Madonne Smith
Treasurer

Student Council
