The Red Cross Council consists of the executive and a representative from each class. The executive of the Junior Red Cross organization of the school this year consisted of President, Cathy Pelham, Vice-President, Gloria Young, Secretary, Evelyn Just, Treasurer, Carolyn Nauss. It was under the expert supervision of Mr. C. Williams, teacher-adviser.

A Milk Bottle Drive held early in the year proved very successful, with a total of \$178. raised by the entire student body. At Christmas time two Christmas dinners and toys were given to less fortunate families in the area. A Greek Chest, containing school necessities needed by these people, was sent to Greece. A cheque was presented to the Handicapped Childrens' Fund and a sum of money to the Retarded Children Association.

This year the Red Cross Council may send a delegate to the Red Cross Training Centre in Newfoundland.

First term drama activity centered around a variety show held at B. C. Silver on Thursday, December 6. A delightful one-act comedy, "Pop Reads The Christmas Carol" was presented. This was a repeat performance from last year and was well received by the audience. The cast included Wayne Shipley, Charlotte Baldwin, Fred Rodgers, Diane Howell, Norman Mitchell, John Taylor, and Burglind Blei. Individuals singing selections, humorous skits, dancing and band selections gave the show an excellent touch of variety, but perhaps the biggest hit was Bill Schnare singing his own composition, "Girl of My Dreams."

This year saw a very important step taken in school drama. The Department of Education, in co-operation with the Student Councils of the Halifax-Dartmouth area, staged a series of drama workshops. Many students from B. C. Silver enthusiastically participated in acting, make-up, lighting and staging workshops. The workshops were held once a month. It is hoped that the students participating gained something from them and will be ready to start early next year on more serious drama.

The Glee Club, a group of about 26 girls, has been working under the leadership of Mrs. Morgan and Miss Allum since the beginning of the school year. Their first public appearance was on Thursday, December 6, when they sang Christmas carols, "Road to the Isles", and "My Favourite Things." Also the Glee Club gave their performance successfully on the current television programme "High Society." We, the members of the Glee Club are greatly indebted to Mrs. Morgan and Miss Allum and wish to thank them for their faithful assistance.
